Linda in London

Back in March, member Linda Tanforan had the treat of visiting London with her family.

Pictured is Linda with her granddaughter's mom, having afternoon tea at Fortnum & Mason; with granddaughter Vivian and Linda's son, standing on the prime meridian at Greenwich, which marks 0 degrees longitude; and with the iconic Tower Bridge in the background - an 8-year construction project involving 11,000 tons of steel. Our project is a much less daunting task in comparison!
